

Deferment and Extended Transition Programming (ages 18-22): Information for Parents, Families and Community-Based Transition Stakeholders

This training was developed by the Project 10: Transition Education Network, a discretionary project funded by the Florida Department of Education, division of public schools, Bureau of Exceptional Education and Student Services (BEESS), through federal assistance under the Individuals with Disabilities Education Act (IDEA), Part B.

Objectives

After this training participants will be able to:

- Define deferment of receipt of the standard high school diploma according to Florida law.
- Describe the five deferment options available for students with disabilities (SWD).
- Identify postsecondary options and considerations.
- Review key transition individual education plan (TIEP) components and their essential role in successful deferment and postsecondary planning.
- Locate resources to support deferment planning and understanding.
