

School-Based Enterprise (SBE) Development: Planning, Implementing and Evaluating

This training was developed by the Project 10: Transition Education Network, a discretionary project funded by the Florida Department of Education, Division of Public Schools, Bureau of Exceptional Student Education (BESE), through federal assistance under the Individuals with Disabilities Education Act (IDEA), Part B.

Objectives

At the end of the training, participants will be able to:

- Define school-based enterprise (SBE)
- Brainstorm possible concepts by type of SBE
- List skills students learn during an SBE experience and methods for evaluating these skills
- Discuss levels of student involvement in an SBE
- Utilize the SBE manual to implement the three phases of SBE development and identify resources
