## Project 10: Transition Education Network Update

Regional Institutes  
February 2016

This training was developed by the Project 10: Transition Education Network, a special project funded by the Florida Department of Education, Division of Public Schools, Bureau of Exceptional Education and Student Services, through federal assistance under the Individuals with Disabilities Education Act (IDEA), Part B.

## Objectives

After this presentation participants will be able to:

- Discuss Project 10 mission and initiatives
- Navigate Project 10 website
- Identify Project 10 training options

**project10** transition education network

## Project 10 Transition Education Network

- Project 10 is Florida's statewide discretionary project supporting the secondary transition of youth with disabilities.
- Funded by the Bureau of Exceptional Education and Student Services (BEESS), within the Florida Department of Education.
- Serves as a collaborative partner with other state agencies, discretionary projects, non-profit organizations, and families that provide secondary transition services for students with disabilities.

**project10** transition education network

## Mission

- The mission of Project 10 is to assist Florida school districts and relevant stakeholders in building capacity to provide effective secondary transition services to students with disabilities.
- To improve post-school academic, employment, independent living and community participation outcomes.
- To provide professional development, technical assistance and resources to middle/high school district personnel serving students with disabilities.

**project10** transition education network

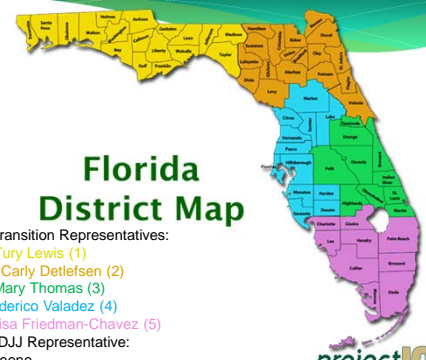

## Initiatives

1. Capacity Building
2. Interagency Collaboration
3. Transition Legislation and Policy
4. Student Development and Outcomes
