

# Powerwalk through Project 10's Publications, Trainings, and Website

## Introduction and Mission

- Project 10: Transition Education Network (Project 10) is Florida's statewide discretionary project designated to support the secondary transition of youth with disabilities to post-school life. Project 10's mission is to assist Florida school districts and relevant stakeholders in building capacity to provide secondary transition services to students with disabilities in order to improve their academic success and post-school outcomes.
- To fulfill this mission, Project 10 offers training, technical assistance (TA), and transition-focused resources. **Thank you for joining us on this Powerwalk to learn more!**

## Objectives

- Build an awareness of the Project 10 website structure.
- Describe Project 10's specific transition-related resources and trainings.
- Identify opportunities for further trainings and technical assistance.
- Explore the latest information regarding projects that are in development.
