Announcement

You will not want to miss this one-day virtual event when all of the regions will come together for a unique day of presentations, discussions and activities. Topics will include virtual transition services, agency engagement in transition planning and updates from leading transition stakeholders across the state. The day will also include breakout sessions to discuss local concerns and enjoy some activities guaranteed to brighten your perspective.

Date/Time: January 26, 2021 from 8:30 a.m. - 3:30 p.m.

Where: Live webinar through Zoom

Registration Information forthcoming!

After registering, you will receive a confirmation email containing information about joining the webinar.

Note: This event will hold up to 1,000 participants. Presentations and handouts will be posted to the Project 10 website following the Institute.
