

The 411 on the Big 5: Sharing Transition-Related Information with Students with Disabilities and Their Families

(Required by Section 1003.5716, Florida Statutes)

Agency for Persons with Disabilities (APD)	Resources
<p>How does APD support transition-aged youth (14-21) with disabilities?</p>	<p>Agency Mission: APD supports individuals with unique abilities and their families in living, learning and working within their communities by creating multiple pathways to possibilities. Find APD's Mission and Guiding Principles by using the link below. https://apd.myflorida.com/about/mission</p> <p>Services: APD offers a wide range of social, medical, residential, and behavioral services. The following is a list of services offered. Services provided are based on need and coverage criteria, so not all individuals receive all services. See the list of services by using the link below. https://apd.myflorida.com/customers/services/</p>
<p>How can students apply for services and at what age?</p> 	<p>Apply for Services: In order to be eligible for services from the Agency for Persons with Disabilities (APD), an individual must have a developmental disability (as defined in section 393.063(12), Florida Statutes), which occurs prior to age 18 and constitutes a substantial handicap that can reasonably be expected to continue indefinitely. Disabilities served by APD include:</p> <ul style="list-style-type: none"> • Intellectual disabilities (Full Scale IQ of 70 or below) • Severe forms of autism • Spina bifida cystica or myelomeningocele • Cerebral palsy • Prader-Willi syndrome • Down syndrome • Phelan-McDermid syndrome or • Individuals between the ages of 3-5 at high risk for a developmental disability <p>https://apd.myflorida.com/customers/application/</p>
<p>What is the key understanding families and school districts should have about APD?</p>	<p>Frequently Asked Questions (FAQs): APD has an extremely helpful array of topics included in the FAQs. Check them out using the link below. https://apd.myflorida.com/about/faqs.htm</p> <p>APD Events Calendar: Use the Events Calendar to find APD activities in the county where you live by using the link below. https://resourcedirectory.apd.myflorida.com/EventCalendar.aspx</p>

Division of Blind Services (DBS)	Resources
<p>How does DBS support transition-aged youth (14-21) with disabilities?</p> 	<p>Transition Services - General Description: The DBS website states that transition activities are coordinated among a team that consists of the student, parent(s) or caregiver(s), educators, service providers, and friends. The transition must promote movement from school to post-school activities. The activities can include instruction, related services, community experiences, the development of employment and other post-school, adult-living objectives, functional vocational evaluation, and the acquisition of daily living skills when needed.</p> <p>School-to-Work Services: The School-to-Work Transition Program consists of a group of services that are provided by DBS and local partners on an individualized basis for students eligible to receive services under an individual education plan (IEP). Services are determined based on each individual client’s needs. Types of services that may be provided are:</p> <ul style="list-style-type: none"> • Assessment - Includes a comprehensive evaluation in orientation and mobility, adaptive daily living skills, assistive technology, low vision needs, functional assessments, vocational evaluation, and job readiness. • Information and Referral - Provides specific information to an individual or group which aids them in securing assistance and collateral services which they are entitled to and from which they may benefit. • Assistive Technology - Trains an individual or group to use adaptive devices and technology for communications and daily living needs including computer, keyboarding, access software, screen readers, note takers, closed circuit televisions, accessible cell phones and other devices. • Counseling Services - Provides counseling to address psychological and social issues related to vision loss. • Job Readiness - Includes resume preparation, interview training, appropriate hygiene and grooming training, accessing transportation, and time management training. Services also include simulated job tasks to enable the individual to adjust to work or provide a work experience. • Job Coaching - Provides on-site instruction to enable a participant to perform the assigned job related activities.
<p>How can students apply for services and at what age?</p>	<p>Apply for Services: The DBS Application for Services form is available online or for download in both English and Spanish. You can find the link to the online application and a PDF application using the link below. https://dbs.fldoe.org/Information/Apply/index.html</p>
<p>What is the key understanding families and school districts should have about DBS?</p>	<p>Inquire about Available Services: Find Statewide offices as well as local offices near you using the link below. https://dbs.fldoe.org/Information/contact.html#county</p>
