

The Self-Assessment Playbook: Implementing SPP Indicator 13

This training was developed by Project 10: Transition Education Network, an Individuals with Disabilities Education Act (IDEA) funded state project through the Florida Department of Education (FDOE), Bureau of Exceptional Education and Student Services (BEESS).

Objectives

After this training, participants will be able to:

- ❑ **Evaluate** Transition Individual Educational Plans (TIEPs) using Indicator 13 self-assessment standards to ensure compliance with federal and state mandates.
- ❑ **Articulate** the systemic value of Indicator 13 compliance and its legal role in secondary transition planning.
- ❑ **Deconstruct** the core components of Indicator 13 and map them to targeted transition practices that support positive post-school student outcomes.
