

# Using Deferment and Extended Transition Programming (ages 18-22) to Support Postsecondary Readiness for Students with Disabilities

This training was developed by Project 10: Transition Education Network, an Individuals with Disabilities Act (IDEA) funded state project through the Florida Department of Education (FDOE), Bureau of Exceptional Education and Student Services (BEESS).

## Objectives

After this training, participants will be able to:

- Describe how deferment prepares students to be college, career, and life ready.
- Define deferment of receipt of the standard high school diploma according to Florida law.
- Compare and contrast five deferment options available for students with disabilities and list the characteristics of each one.
- Describe the essential role that Transition Individual Education Plan components play in successful deferment and postsecondary planning.
- Locate resources to support deferment planning and understanding.
