

Writing Effective Transition Individual Educational Plans (TIEPs)

Project 10: Transition Education Network

Objectives

After this training, participants will be able to describe the components of transition planning, including the following:

- ❑ Transition assessments.
- ❑ Transition services.
- ❑ Transition Individual Educational Plan (TIEP) components.
- ❑ Responsibilities of schools, families and students.
- ❑ Required and potential IEP team members.
- ❑ Strategies to support family involvement in transition planning.
