

Writing Effective Transition Individual Education Plans (TIEPs)

Project 10: Transition Education Network

This training was developed by the Project 10: Transition Education Network, a discretionary project funded by the Florida Department of Education, division of public schools, Bureau of Exceptional Education and Student Services (BEESS), through federal assistance under the Individuals with Disabilities Education Act (IDEA), Part B.

Objectives

After this training, participants will be able to:

- Develop effective IEP transition planning components for students who are 12 years old or during 7th grade;
- Develop effective transition IEP components for students age 14 or the IEP in effect on first day of high school, whichever occurs first;
- Identify the required Transfer of Rights components;
- Incorporate student case studies to support understanding of required IEP transition planning components.
