

Beyond the Paperwork: Building Transition Individual Education Plans (TIEPs) that Launch Futures

This training was developed by Project 10: Transition Education Network, an Individuals with Disabilities Education Act (IDEA) funded state project through the Florida Department of Education (FDOE), Bureau of Exceptional Education and Student Services (BEES).

Objectives

After this training, participants will be able to:

- ☐ Develop effective IEP transition planning components for students who are 12 years old or during 7th grade;
- ☐ Develop effective transition IEP components for students age 14 or the IEP in effect on the first day of high school, whichever occurs first;
- ☐ Identify the required Transfer of Rights components;
- ☐ Incorporate student case studies to support understanding of required IEP transition planning components; and
- ☐ Analyze case studies to apply principles of effective transition IEP planning.
